Parts

The following table lists changes made to the MLG 8, MLG 15 and/or the MLG 20 since publication of your manual. The table includes added and deleted parts, as well as when they were changed and the page in the manual that the original (deleted) part can be found. Any part being deleted without adding a part means the part is no longer used on the unit. Any part being added without deleting a part means the part has not previously been used on the unit.
